

*Creating a Vision for our Future*

The Tariffville Village Association was established to give the residents and friends of the village a strong voice in planning for land use, economic development and architectural design in the village. We work closely with Simsbury town officials, boards and commissions to participate actively in the development of long-range plans for the future of Tariffville.

You are invited to: attend our meetings, get on our mailing list, become a dues-paying member and/or work on a committee.

**WHAT IS YOUR VISION FOR THE FUTURE OF TARIFFVILLE?**

We need your ideas, we want your opinions, we seek your support and we hope you will join with us in helping to preserve our unique village character and create a comprehensive plan for future development.

\*\*\*\*\*

**YES, I WANT TO PARTICIPATE!**

- I would like to be on the e-mail list only.
- Individual Membership (\$25/yr)
- Family Membership (\$35/yr)
- I would consider a Committee assignment
